The background of the poster is a vibrant, cartoon-style illustration of a tropical beach. It features two palm trees with green fronds and brown trunks, one on the left and one on the right. The sky is a bright blue with white, fluffy clouds and several white birds in flight. The ocean is a light blue with white-capped waves. In the foreground, there's a sandy beach. On the left, a boy with dark hair, wearing a blue t-shirt with a sun design and yellow shorts, is sitting on a pink towel, drinking from a blue cup with a straw. On the right, a girl with dark hair, wearing a blue and white striped shirt and a red polka-dot skirt, is running happily towards the left, carrying a yellow basket filled with colorful flowers. There are also two pineapples, one on the left and one on the right, and a pink ice cream cone with a cherry on top on the right side.

- Looking for any interest in the following club:
- I have a love for trains, and a huge collection. My goal is to try and get younger people into the train hobby and possibly plastic model building as well and share my knowledge. I think this could be a lot of fun and learn that there is more to life than computers and cell phones.
- We will start with one hobby and go from there. If there is enough interest, club details will follow.
- Please respond to Mr. Gary in Building C room 261, or email, [Montagana.gary@somersetcollegeprep.org](mailto:Montagana.gary@somersetcollegeprep.org).

# Interested in starting a school club?

---

- If you're interested in starting a school club, you should do the following:
  - Find a teacher to sponsor the club. Give them the details about the club so they know if they're able to sponsor the club.
  - Create a petition and get students who would be interested in your club to sign it. This shows that your club has generated interest.
  - Talk to someone in administration about getting your club approved. Tell them who the sponsor is, when the club will occur (lunch or afterschool), and what the club entails.
  - Email Mr. Kyryliw ([Kyryliw.Michael@somersetcollegeprep.org](mailto:Kyryliw.Michael@somersetcollegeprep.org)) the information about your club and a slide advertising it. I will leave the advertising slide up for a week or so and create a slide listing all the club information for easy reference.
