2nd Violation: *Detention*

3rd Violation: *Revocation of Parking Permit*

Non-Permitted Parking: *TOWED at OWNERS EXPENSE*

RADON POSTER CONTEST

FLORIDA DEPARTMENT OF HEALTH

Each year, Florida participates in the National Radon Poster Contest to raise awareness about the dangers of radon gas. Florida won the national competition several times since 2008. The posters will be reproduced and distributed nationwide to promote radon awareness and testing of homes, schools and other buildings during National Radon Action Month in January and throughout the year.

If your class is interested in the contest, review the guidelines below and complete and attach the form on the other side of this flyer to the submitted poster.

The Cause: Radon

Radon is a colorless, odorless, tasteless, naturally occurring radioactive gas that comes from the soil. Radon seeps into homes from the ground, collects inside the home, and then is inhaled by the residents. The U.S. Surgeon General states that it is the leading cause of lung cancer among non-smokers in the United States. Testing for radon is the only way to detect the level of radon present inside the home.

The Goal: Raise Awareness

By raising awareness of the harmful effects of radon, the number of homes with high levels of radon can decrease. This contest is designed to raise awareness about radon testing and mitigation, and to inform the public of the dangers of long-term exposure to elevated indoor radon gas.

Example Poster Topics

- What is radon?
- Where does radon come from?
- How does radon get into our homes?
- Radon can cause lung cancer.
- Test your home for radon, save a life.

Judging Criteria

- Content accuracy on radon
- Visual communication of topic
- Easily reproduced (large letters, good contrast)
- Originality
- No grammatical and/or typographical errors

General Requirements

- Be an original piece of art by students 10-14 years old
- Do not include copyrighted characters, product logos, and trademarked or brand names

Artwork Requirements

- Paper sizes from 12 x 18 and portrait orientation are preferred, but all submissions will be accepted
- Can be created with crayon, markers, paint (watercolor, tempera, acrylic), collage, photographs, or computer graphics
- Must not have student's name on the front
- Topic and title must be on the back of Artwork Submission Form
- Messages should be short, accurate, and without grammatical and/or typographical errors
- Lettering should be large enough to reproduce and all pencil markings (if any) should be erased

Contest Calendar

- Contest opens **September 1** and closes **November 1**
- National winners notified by December 31
- Winners will be notified of award ceremony date

- GSA- Fridays, at lunch, in 169C
- Guitar Club- Fridays, afterschool from 4-5pm in 169C

Interested in starting a school club?

- If you're interested in starting a school club, you should do the following:
 - Find a teacher to sponsor the club. Give them the details about the club so they know if they're able to sponsor the club.
 - Create a petition and get students who would be interested in your club to sign it. This shows that your club has generated interest.
 - Talk to someone in administration about getting your club approved. Tell them who the sponsor is, when the club will occur (lunch or afterschool), and what the club entails.
 - Email Mr. Kyryliw (Kyryliw.Michael@somersetcollegeprep.org) the information about you club and a slide advertising it. I will leave the advertising slide up for a week or so and create a slide listing all the club information for easy reference.
