# Interested in starting a school club?

- If you're interested in starting a school club, you should do the following:
  - Find a teacher to sponsor the club. Give them the details about the club so they know if they're able to sponsor the club.
  - Create a petition and get students who would be interested in your club to sign it. This shows that your club has generated interest.
  - Talk to someone in administration about getting your club approved. Tell them who the sponsor is, when the club will occur (lunch or afterschool), and what the club entails.
  - Email Mr. Kyryliw ([Kyryliw.Michael@somersetcollegeprep.org](mailto:Kyryliw.Michael@somersetcollegeprep.org)) the information about your club and a slide advertising it. I will leave the advertising slide up for a week or so and create a slide listing all the club information for easy reference.
